About This Game

Will the last fox on Earth be able to save its three little cubs?

Experience how life would be in a world ravaged by mankind through the eyes of **the last fox on Earth** in this eco-conscious **adventure**. **Discover** the destructive effect of the human race, which corrupts day after day the most precious and needed resources of the natural environments.

Explore Endling's 3D side-scrolling world and defend your cubs, three tiny and defenseless fur balls, feed them, see how they grow up level after level, notice their unique personalities and fears, and most importantly, make them **survive**.

Use the cover of night to sneak with your litter towards a safer place. Spend the day resting in an improvised shelter and plan for your next movement carefully since it could be the last one for you or your cubs.

Endling

- Explore devastated environments based on real issues.
