## About This Content

When all the secret services headquarters are destroyed and everyone is held by fear, the British Superagents have discovered an allied spy organization in Pangea World - "Kingsguy". This MIGHTY secret organization must defeat all the ruthless enemies to save the Universe, in other words to do a regular task of Mighty Party brave heroes...

List of incredibly powerful superagents of Pangea you will get:

- Prince x15 - Legendary Hero
- Chieftain Orc x15 - Legendary Hero
- Marquis de Sat x15 - Legendary Hero
  - Gems x7500
  - Gold x50000

---

Lead your MIGHTY PARTY to victory! -> Be no. 1!

For a new account: you'll get your rewards after the tutorial and 2 PVP fights.  
If you're not a new player please check that DLC is installed and restart the game.

NOTE: Included gems won't be counted for VIP level.
